

Appl. No. 10/702,442
Amendment dated: August 25, 2006
Reply to OA of: May 15, 2006

REMARKS

This is a Supplemental Amendment to the Amendment filed August 15, 2006, in connection with the above-identified application.

Claim 1 has been further amended to delete the phrase "or that the gas bubbles work to form a substance on the surface of the substrate". In light of this amendment, claim 2 has been canceled and claim 1 is now directed to stripping a substance from the surface of the substrate.

In view of the above comments and further amendments to the claims, favorable reconsideration and allowance of all of the claims now present in the application are most respectfully requested.

Respectfully submitted,
BACON & THOMAS, PLLC
